

Brookfarm Walkabout Mix

Heading bush or going bike riding? Consider a bag of Brookfarm Walkabout Mix. Each 75 g bag (\$4.50) is packed with what could be described as 'gourmet scroggin' and ever so delicately seasoned with salt. High in energy and flavour, the ingredients are a mix of nuts from the farm near Byron Bay, dried fruit from the Barossa Valley and other dried fruit, nuts and – in two of the varieties – chocolate buds from Belgium. www.brookfarm.com.au
